Introducing the Elders

Michael Adams is nominated as Head Elder. He has been a member of RWCC for about 20 years and has been married for about the same amount of time. He is husband and father of two adult children. He has served in the church as a teacher at Coralwood Adventist Academy and has served at Red Willow as an elder and as a youth pastor/leader. He has a passion for the youth and for the church. He believes that it is only by the will of God and people serving together will the church grow, thrive, and flourish.

Martha Valencia, along with her husband Jay and their two children became members of Red Willow in 2007.

Even though Martha is a third generation SDA, she first experienced an authentic and close relationship with Jesus in the early years attending Red Willow. From the practical sermons to the contemporary worship style and the warm-welcoming-not judgmental atmosphere, Red Willow was the perfect community to nourish a young family's faith.

Throughout the years Martha has served in different ministries such as, Faith at Home, Hospitality, Greeters, Elders, and in collaboration with Creative Ministries has hosted two Couple's Cafés, several Passover Celebrations and other special programs.

Martha is passionate about the mission and vision of Red Willow and would love to see this community continue to minister to young families in the same way her family was ministered to.

Carlos Lopez is married to Yolanda. We have two sons and two grandchildren. My purpose as I become an Elder and part of the leadership at Red Willow is to help our church with the Mission our Lord assigned us which is to be available to help our community and to share the gospel with them.

Tracey Boller has a passion to humbly serve the Lord in whatever capacity she can. She has been involved in outreach and ministry for several years. She has been married to Trevor for seventeen years and they have three boys, Justin, Doug, and Brad, as well as granddaughter Hailey who is fifteen. Tracey and Trevor have been involved with Red Willow for over seventeen years. She is honoured to humbly and prayerfully serve Red Willow and its mission.

Donavon Young is the proud father of two beautiful girls, Gabrielle and Jade, and grandfather of four amazing granddaughters. He has been married to his beautiful wife Barb for almost 46 years. He was born on January 23, 1959, in Medicine Hat and was born again on May 10, 1990, in a church basement when he accepted Jesus Christ as his personal Lord and Saviour. He credits the Lord for saving his life and his marriage. His prayer is that he can serve as Elder with love, grace, and compassion.

Javier Valencia has been part of Red Willow Community Church for about 13 years, serving in several roles. Along with his wife Anet, he believes that this community is unique in the way it presents the gospel to others, and because of that they are grateful. He is here to assist Red Willow as the church keeps going forward on this journey together.
